Order at the next size over the graphic size. Like all magnets, do not get them too close to watches (or anything with a battery), wallets, computers, pace makers, etc.

**FEATURES:**

- Simply slide graphic into the holder for a secure grip.
- Variable point capability gives you the ability to hang with hooks or cables for an off-the ceiling look.
- Also works with mini-grid and recessed grid.
- Can be used cross-grid to angle promotional graphics.
- Easy-to-use ladderless system.
- EasyUp Magnetic holder works with substrates, including finishes and protective laminates, up to 60 points thick (1/16", 1.5 mm)

**MAGNETIC GRIPPER SUBSTRATE POSSIBILITIES**

	INCHES	MILLIMETERS	POINTS
Maximum thickness	1/16"	1.5mm	60pt.
